

I am very distressed to learn that KLOVE could be taken off the air due to LPFM stations taking priority over current FM translator service. I listen to KLOVE every day, in my car and at home. I find that it encourages and uplifts me more than any other radio station I can find in my area. I also know of several members of my community who also listen, and we discuss things we have heard on the radio at our weekly Bible study. With the shape our world is in, we need good, positive encouragement from our radios - and KLOVE does that. I like to be able to listen to something that tells news from a Christian perspective, and to be able to listen to music that I am sure will not contain lyrics that are offensive to me or my family. Please, keep KLOVE on the air!
